To know Avonne, it is hard to believe that she was ever depressed and contemplated suicide. It's hard to believe that she thought that her life had no value or meaning. She was able to dispel words and statements such as "You will never amount to anything", "Your Dumb, Stupid, and Ugly", etc. Avonne has overcome years of unhappiness and low self-esteem to become the Fulfilled, High Energy, and Natural Motivator that people know today. She received determination and drive to overcome her obstacles from her relationship with her Lord and Savior Jesus Christ, experience in the United States Marine Corps, and yearning to tap into what makes a person successful. Her desire is to Motivate and Empower others so that they can walk in the abundant future that they deserve.
